### **Introduction**

Harford Community College(HCC) was founded in 1957 as a public community college. The College occupies a 331-acre site on Thomas Run Road, three miles east of Bel Air, Maryland.

HCC provides high quality, accessible and affordable educational opportunities and services -- including university transfer, career, developmental and continuing education programs -- that promote professional competence, economic development, and improve the quality of the life in a multicultural community.

### **Purpose**

The two parties, jointly agree to the following arrangements in the fields of:

Chemical Dependency Counseling  
Electroneurodiagnostic Technology  
Histotechnology  
Horticulture  
Massage Therapy

The primary purpose of this agreement is to provide students' resident to Baltimore County, the opportunity to pursue their career goal of employment in the field of Chemical Dependency Counseling, Electroneurodiagnostic Technology, Histotechnology and offer an articulated program in Massage Therapy, Horticulture.

### **Admissions Statement and Credit Transfer**

1. Students at HCC may complete general education requirements and transfer to CCBC. General transfer requirements apply.
2. Specific courses that students must complete at HCC and CCBC to conform to this agreement are identified in the attached course documents.
3. In the last semester of his/her academic work, the student will contact HCC to begin the transfer process.
4. Students will have access to advising assistance from both institutions.

### **Financial Aid/Scholarships**

1. Students interested in financial assistance should seek advisement at the Financial Aid office located in the E building on the Essex campus in Room E140.
2. Students who are out-of-county for HCC will pay in-county tuition for the courses taken at HCC.
