2009 CCBC Dundalk Boys Basketball Camp

This camp is directed by CCBC Dundalk Men's basketball coach Cleveland Rudisill. Through stations, each camper will be exposed to the fundamentals of shooting, dribbling, rebounding, passing and other offensive skills. Daily scrimmages will enable campers to apply the skills learned during the stations segment. The staff includes current CCBC Dundalk men's basketball staff and CCBC Dundalk men's basketball student-athletes as well as high school and college coaches. At the conclusion of the camp, all campers will receive an individual evaluation "report card". The camp is designed for players of all skill levels from beginners to advanced. Utilizing CCBC Dundalk's Health/Life Fitness Center, campers will learn valuable skills and reinforce fundamentals of the game.
