

COLLEGE-WIDE IMPLEMENTATION OF THE GREAT PROJECT

All courses within a general education discipline area administer their GREAT Common Graded Assignments (CGAs) the same semester. This allows for an easy predictability and tracking of which courses are involved which semester. It also allows for new courses to be easily absorbed into the assessment structure.

The first round of data collection began in Spring 2004 (see Round 1 schedule below). Round 2 reassessment began in Fall 2007 (see Round 2 schedule below) and will be completed in Spring 2010.

For Round 3 the following schedule is in place:

Social and Behavioral Sciences	Fall 2010
Interdisciplinary/Emerging Issues	Spring 2011
Wellness and Health	
Information Technology	
Global, Historical and Cultural Issues	
Mathematics	Fall 2011
Biological and Physical Sciences	Spring 2012
English Composition	Fall 2012
Arts and Humanities	Spring 2013

Round 2

Social and Behavioral Sciences	Fall 2007
Interdisciplinary/Emerging Issues	Spring 2008
Mathematics	Fall 2008
Biological and Physical Sciences	Spring 2009
English Composition	Fall 2009
Arts and Humanities	Spring 2010

Round 1

Social and Behavioral Sciences	Spring 2004
Interdisciplinary/Emerging Issues	Fall 2004
Mathematics	Spring 2005
Biological and Physical Sciences	Fall 2005
English Composition	Spring 2006
Arts and Humanities	Fall 2006
