

Shuttle Policy

CCBC Student Life in conjunction with the Vice President of Administrative Services is pleased to provide the college community with shuttle bus service between its Dundalk and Essex campuses, its Essex and Catonsville campuses, Catonsville to Randallstown and Owings Mills campuses with a return run to the Randallstown and Catonsville campuses. This service is designed to provide transportation between campuses for students and staff who are participating in CCBC sanctioned classes, activities, and/or programs. CCBC identification must be shown to board the shuttle. The One Card identification must be scanned when entering the shuttle. If student or staff do not have a One Card they must enter their 900 number manually and proceed to obtaining a One Card for easy access to the shuttle.

Dates of Operation

The shuttle runs fall and spring semesters only.

Schedule and Stops

The service runs Monday through Friday. Below is a list of the runs and the times that the Shuttle departs each stop. Drivers use the time on their phones when leaving a campus. Shuttle riders should try and get to the stop a few minutes early in case the times are slightly off.

The shuttle bus is a free service open to all members of the CCBC community. The ability to use the service is dependent on adherence to certain guidelines. Failure to comply with these guidelines may result in the suspension or termination of a student's ability to use the shuttle. <http://ccbcmd.edu/catalog/codeofconduct.html>

If the shuttle should fill to capacity on a particular run, the driver may ask that riders not returning to the destination campus for class please surrender their seat to someone who is attempting to travel to campus for class.

Inclement Weather Shuttle Schedule

In the event of inclement weather, the primary concern is the safety of the college community. Shuttles will not operate if the college is closed due to inclement weather. If the college decides to have a delayed opening, the shuttle from Dundalk to Essex will run 1/2 hour prior to the delayed opening time and the

shuttle from Essex to Catonsville will run at the time of the delay. For example, if the college opens at 10:00 a.m., the Dundalk shuttle will leave at 9:30 a.m. in route to Essex and the Essex shuttle will leave at 10:00 a.m. in route to Catonsville. If the college should close early, shuttles will operate until it reaches the Dundalk Campus on the next ½ hour and the Essex campus on the next hour provided it remains safe to do so. If executive management determines it is unsafe to operate the shuttles, service will be discontinued whether or not the college is open.

Daily Shuttle Schedule: (Monday thru Friday)
