It’s up to you.
Earn an associate degree and jump right into the workforce, or take the first step toward a bachelor’s degree and transfer with ease. You name it, you can do it at CCBC. Whether you know exactly what you want to do or you need time to explore your options, check out our more than 200 different degree, transfer pattern and certificate options – the most of any college in the region.

It’s a smart move.
Connect with experienced faculty and industry professionals in small classes where you can really learn. When you graduate, take advantage of guaranteed admission to any school in the University of Maryland system – College Park, UMBC, UMES, Towson, Coppin – you name it. Graduate from our Honors program and enjoy even greater distinction and selection among CCBC’s partner colleges and universities, including Goucher, Loyola, McDaniel and Notre Dame of Maryland.

It’s an incredible value.
What’s so great about CCBC?
• More than 200 program options
• Guaranteed transfer
• Small classes with dedicated faculty
• Flexible day, night, weekend and online schedules
• Free tutoring and other academic support services
• Career and job placement advisement
• Honors and scholarship opportunities
• Championship athletic teams
• Convenient locations
• All at a low cost!

The fact is, you can save tens of thousands of dollars by starting at CCBC.
CCBC is the best deal in town.

CCBC’s yearly cost for a full-time student averages less than half the cost of a public four-year college, and our career training courses are way more affordable than those at proprietary training schools. It’s an unbeatable value, made even better by CCBC’s seamless transfer agreements with many colleges and universities. In fact, CCBC graduates are guaranteed admission* to any school in the University of Maryland system and many earn scholarships to their select transfer schools. Now that’s a deal!

SEE WHY SO MANY CHOOSE CCBC

CCBC by the numbers

You’re in good company.

• In any given year, more than half of Baltimore County’s college-bound high school graduates choose CCBC.
• Nearly 65,000 diverse individuals take advantage of CCBC’s impressive transfer and career programs, with nearly 35,000 pursuing degrees and credit certificates.
• CCBC is recognized as one of the nation’s top associate degree-granting colleges.
• CCBC is the largest provider of undergraduate health care education in Maryland.

Hard work pays off.

• Last year alone, 1,000 CCBC students received scholarships totaling nearly $700,000.
• Each year, nearly 14,000 students reach their goals at CCBC, moving on with a degree or certificate, transferring to a four-year school, or earning a workplace certification.
• Students in many of CCBC’s health professions programs, including Dental Hygiene, Respiratory Care Therapy, Massage Therapy and the CCBC-Towson University Physician Assistant program, typically score 100 percent pass rates on their licensure/certification exams.
• Those who earn associate degrees can expect to earn $400,000 more in their lifetimes than those with only high school diplomas.

CCBC wins. A lot!

• CCBC athletic teams have won 18 NJCAA national championships in 169 national tournament appearances.
• CCBC has taken 172 NJCAA Region XX championships and 145 Maryland JUCO Conference championships.

SEE WHAT CCBC HAS TO OFFER

The time is yours

Flexibility and convenience

With classes available close to your home, job, or wherever you need to be, CCBC makes it easy to fit college into your busy life. Our advisors can help you build a schedule that works for you. Choose from classes offered days, evenings and weekends on any of our three main campuses in Catonsville, Dundalk and Essex, and our extension centers in Owings Mills, Hunt Valley and Randallstown.

Many of our students choose to attend classes in multiple locations, while others prefer to stay on one home campus. Online classes and blended classes, offering a mix of online and in-class instruction, are also popular. The point is, you can make the most of your time at CCBC with the many flexible scheduling options available.
Guaranteed transfer

With a little hard work and dedication, chances are you’ll enroll as a junior at your chosen four-year college or university after saving big bucks at CCBC. When you’re ready to move on, CCBC makes it easy. In fact, our transfer agreements and transfer support services provide a clear path that will save you time and money on the way to your dream college.

While state law mandates that all general education courses must transfer to any state college within the University System of Maryland, our specialized transfer coordinators will also help you optimize the number of credits you take with you when you transfer from CCBC to whatever four-year school you choose.

Learn more about the smart way to transfer, including specific agreements with four-year schools, at [www.ccbcmd.edu/transfer](http://www.ccbcmd.edu/transfer).

Honors opportunities

Do you have the willingness to question, the ability to think analytically and work independently, and the curiosity to take on challenges beyond the ordinary? If so, the CCBC Honors program may be perfect for you. CCBC Honors courses are not designed to require more work, but a more sophisticated level and independent manner of work. They delve into subject matter more deeply than traditional courses.

Colleges and universities in Maryland and beyond recognize the CCBC Honors program for student excellence, seeking our students for transfer and providing scholarship opportunities. As a CCBC Honors student, you will also receive at least a partial scholarship each semester and enjoy the guidance of an assigned faculty mentor. To apply to the Honors program or find out more, visit [www.ccbcmd.edu/honors](http://www.ccbcmd.edu/honors).
Apply for financial aid.
It’s easier than ever to find the financial resources you need to fund your education at CCBC. If you are eligible for federal or state financial assistance, your award may be offered in the form of a Pell Grant, state or federal scholarship, loan, or work-study position.

To apply for financial aid, submit the Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov (CCBC’s school code is 002063). You can submit the application throughout the year, but the ideal time is between January 1 and March 1 to receive priority consideration for Maryland state scholarships and grants.

Search for scholarships.
You may also be eligible for one of more than 300 different CCBC scholarships based on academic merit, financial need, achievement, leadership or specific program requirements. Funds can help cover the cost of tuition, fees, books and other related expenses. Visit www.ccbcmd.edu/scholarships-grants to conduct a custom search of available scholarships.

Leverage your VA benefits.
If you are a military veteran, check with our helpful Veterans Services staff to find out how to use your veterans benefits. If you are employed, check with your employer’s benefits plan for tuition support.

Set up a payment plan.
CCBC offers an interest-free payment plan to help you in budgeting your education costs. To find out more about payment methods and schedules for the upcoming semester, visit www.ccbcmd.edu/paymentoptions.

It’s more than just academic programs and support services that make CCBC the college of choice for the Baltimore County region. Sure, our students come for the top classes and instructors, but they also come for sports, clubs, internships and student life. It’s all here. The only question: Stick with the familiar or try something new? Can’t decide? Do both!

**Take your game to a new level.**

CCBC offers 20 intercollegiate sports for men and women, with rich, winning traditions fueled by dedicated coaches, great facilities and stellar student-athletes.

To find out about sports offered at each campus, game schedules and standings, visit [www.ccbcmd.edu/athletics](http://www.ccbcmd.edu/athletics).

**Gain a new perspective.**

Here, education goes beyond the books. A full lineup of clubs, activities, programs and events connects students just like you. Be a Student Ambassador or Student Government Association officer. Take advantage of health, fitness and wellness facilities and programs. Explore the creative works of students and faculty, as well as local, regional and national artists in campus galleries. Attend or perhaps perform in one of CCBC’s acclaimed music, dance or theatre productions. Catch a “star party” or planetarium show. Go on an Alternative Break and become a change agent in your own community and places around the world. The possibilities are endless.

SEE HOW CCBC SUPPORTS YOU

CCBC has you covered from start to finish. From the time you apply and register for classes to the time you earn your degree or certificate and transfer, CCBC’s academic advisors, tutors, career counselors and others will keep you moving in the right direction.

Academic Advisement Centers
Academic Advisement Centers are the place to get a solid start on your enrollment. And after you have applied, advisors will guide you step-by-step from testing and placement to graduation completion.

Student Success Centers
At CCBC, you’re not on your own. Student Success Centers offer individual, online and group tutoring, as well as academic coaching in study skills and time management. And it’s all free of charge for all students. The centers also have open computer labs equipped with software and printers to make it easy for you to complete class assignments.

Computer labs and tech support
CCBC has widespread and free wireless Internet access throughout our campuses. Bring your laptop or mobile wireless device and access the Internet wherever you are at CCBC. You can also take advantage of one of more than 3,400 computers available for student use, and seek the help of knowledgeable staff in our open labs. CCBC offers 24-hour tech support for just about any problem.

Career Services Centers
Need help selecting a program of study? CCBC’s Career Services Centers can help you match your talents and interests with a program to reach your academic and career goals. We can also assist you with résumé building, job search techniques and interviewing skills.

Veterans Services
CCBC takes pride in serving those who serve by providing attention to the needs of students who are veterans, active military and reservists. CCBC Veterans services can help you make the most of your CCBC experience. Discover how your military benefits, scholarships, financial aid and academic counseling can advance your progress toward a new career. For more information visit www.ccbcmd.edu/veterans.

Child Care
Need child care while you’re in class? Children of CCBC students can take advantage of special rates when enrolling in one of the CCBC Children’s Learning Centers. The centers offer age-appropriate programs for toddlers and preschoolers on all three main campuses and are licensed by the Maryland State Department of Education, Office of Child Care.

Disability Support Services
CCBC helps provide reasonable accommodations, support services and creative solutions to issues faced by students with disabilities. Support provided includes, but is not limited to, those with deafness and hearing impairments, blindness and low vision, learning disabilities, attention deficit disorders, orthopedic impairments, traumatic brain injuries and multiple disabilities.
