

Course Outline
MNGT. 291
Family Financial Planning and Investments
3 Credits

The Community College of Baltimore County

Description

Family Financial Planning and Investments

Allows the student, having completed appropriate program courses, and with the consent of the program coordinator, to work independently in an approved area of advanced study.

Prerequisite: consent of program coordinator prior to registration

Six meetings a semester, minimum

Prerequisite: consent of program coordinator prior to registration.

Overall Course Objectives

- A. To maximize the level of instruction in management by providing an opportunity for gifted students to pursue a program of individualized instruction and independent work.
- B. To provide alternative modes of instruction in management.
- C. To provide the opportunity for students to study individually.

Major Topics

To be determined by instructor for each project.

Methods of Instruction

A minimum of 6 meetings per semester to include: discussion and progress, technical assistance and criticism.

Method of Evaluation

- A. Analysis and criticism by advisors
- B. Analysis and criticism by invited professionals
- C. Final-Advisory jury by full department and invited professionals
- D. Final written commentary and grade by advisor
