*Names include degree candidates who officially
 applied for graduation by April 11, 2025.*

Graduate Distinctions

The following notations appearing beside a candidate's name indicate that the candidate is graduating:
 ****summa cum laude* (GPA 3.80-4.00) ***magna cum laude* (GPA 3.60-3.79) **cum laude* (GPA 3.40-3.59)

~ Students receiving more than one award GPA = grade point average

Additional recognitions include:

- Gold cord: Honors College
- Blue and orange cords: Degrees to Succeed
- Gold stole: National Honor Society and Phi Theta Kappa
- Gold tassel: 3.4 GPA or higher, graduating with honors
- Orange tassel: Distinguished Student Leaders

Names listed for graduates and honors notations are as accurate as possible at the time of printing. They include students who completed their graduation requirements in Summer/Fall 2024 and candidates for Spring 2025.

Diplomas

Diplomas are ordered using the student's name, email and mailing address on file with the college. Students who have officially applied for graduation, met graduation requirements and satisfied all obligations to the college will receive a diploma. May 2025 graduates can expect to receive their digital diplomas via email by the end of June and paper diplomas in the mail by the end of July. Digital and paper diplomas are issued through Parchment Diploma Services; graduates should monitor their CCBC student email accounts for notifications from the company. August/December 2024 graduates have already received their diplomas.

Special Recognition

The Dean of College Life and the Office of Student Engagement offer special recognition to the following:

Phi Theta Kappa Members

Founded in 1919, Phi Theta Kappa is the International Honor Society for two-year college students promoting leadership, scholarship, service and fellowship activities. The CCBC chapters – Alpha Rho Psi (CCBC Catonsville), Beta Alpha Tau (CCBC Dundalk) and Chi Theta (CCBC Essex) – include members with a 3.5 GPA or higher on the college's 4.0 scale. In addition to their extraordinary academic accomplishments, CCBC Phi Theta Kappans engage in vigorous community service activities.

Honors College Certificate Recipients

The Honors College connects academically motivated students with dedicated faculty, mentors and advisors who foster a community driven to pursue unique learning opportunities, explore new ideas and thrive as scholars. The Honors College fulfills the individual needs of diverse, academically driven students through enhanced scholarship, guidance, and leadership experiences. To complete the Honors College certificate 25% of coursework must be in Honors, and students must earn an overall 3.5 GPA or higher.

Distinguished Student Leaders

The following students graduate as Distinguished Student Leaders of the Community College of Baltimore County. They have earned this distinction by demonstrating exemplary leadership skills and engaging in valuable acts of service to the college and the community as part of a Student Engagement Leadership cohort.

Sara Abbas, Student Government Association

Anna Augustine, First-Year Experience Mentor

Sandhya Bhandari, Student Government Association

Leeha Chhantyal, First-Year Experience Mentor

Ayshwarya Velraj, First-Year Experience Mentor

Jordan Scott, Student Engagement Ambassador

President's Distinguished Graduate/Class of 2025 Student Speaker Isaac Njoroge

Isaac Njoroge exemplifies academic excellence, leadership and community commitment. Originally from Kenya, his decision to attend CCBC proved pivotal in his remarkable journey.

Graduating with an information technology degree and a 3.93 GPA, Isaac excelled academically while balancing the demands of a student-athlete. A standout leader, he actively engaged in the Honors College, Phi Theta Kappa, the Male Student Success Initiative and served as point guard for the CCBC Catonsville men's basketball team. Recognizing his potential, the nonprofit organization Achieving the Dream selected Isaac as one of eight Dream Scholars, immersing him in an experiential learning opportunity focused on leadership, critical thinking and networking. Further demonstrating his commitment, Isaac volunteers with the Police Athletic League, mentoring youth and fostering their academic and social growth.

Driven by the belief that success is collective, Isaac's experiences have cultivated a deep commitment to bridging divides and creating opportunities for others. His future aspirations include pursuing a bachelor's degree in computer science with a minor in cybersecurity, with the aim of leveraging his skills to bridge the digital divide in underserved communities both in the U.S. and Kenya.

Finalists for 2025 President's Distinguished Graduate Award

Roheen Fatima
 Damion Hocker
 Kenyona Davenport

Jack Kent Cooke College Scholar Kyle Clarke Echeverria Nour Miswadeh

Echeverria and Miswadeh are two of 90 high-achieving community college students to earn the 2025 Cooke Undergraduate Transfer Scholarship. This highly selective scholarship is for the nation's top community college students seeking to complete their bachelor's degrees at four-year colleges or universities. Each Cooke scholar has access to generous financial support for two to three years, college planning support, ongoing advising and the opportunity to connect with a thriving community of fellow scholars.

Special Recognition

Academic Heraldry

The wearing of caps, gowns and hoods at college and university functions dates back to the Middle Ages. Monks and scholars wore them to keep warm in the damp, drafty 12th-century castles and halls of learning. Through the years, their style and color have come to represent specific meanings. Gowns for associate and bachelor's degrees, worn in undergraduate study, have a semi-stiff yoke, long pleated front and intricate shirring across the shoulders and back. The gown is worn closed and is distinguished by its long pointed sleeves. The gown for the master's degree has the same yoke effect as the bachelor's but is designed to be worn open or closed. The back of the sleeve is oblong and square-cut. Gowns for the doctoral degree are worn open or closed and have long velvet panels down the front and three velvet bars on the bell-shaped sleeves. This velvet trimming may be either black or in a color distinctive to the field of learning to which the degree pertains. Some colleges and universities have adopted gowns in the primary colors of their institutions. Thus, you might see graduates of the following institutions wearing colored gowns, e.g., Columbia University - slate gray, New York University - violet and Princeton University - orange. The hood provides color and definitive meaning to the academic regalia. The hood is lined with the color(s) of the institution conferring the degree and bordered with velvet of the proper width and color to indicate the field of learning.
