

Before you change your Program of Study or Area of Concentration, carefully review the program requirements in the CCBC catalog and meet with an academic advisor or program coordinator.

Visit the Academic Standards and Policy section of the college catalog to review CCBC's catalog year policy.

Credits earned at CCBC or credits transferred from another institution may not be applicable to the new academic program. Request a re-evaluation of your non-CCBC transcript(s) for the new Program of Study.
