A parent information letter and parking information are available at ccbcmd.edu/kidsatccbc.

EARLY PAYMENT PLAN

To have monthly payments automatically deducted from a checking, savings or credit card account, the parent/guardian of the student must complete a Nelnet Business Solutions application once the registration has been processed. An initial down payment (20% of the total) toward the costs of the students' course(s) and a \$25 non-refundable processing fee to Nelnet Business Solutions is required at the time of registration. A two-month plan option must total between \$200 and \$499. A three-month plan option must total \$500 or greater. The total amount is to be paid in full prior to the first day of class. To register and set up the Partial Payment Plan, call Continuing Education registration at [443-840-2222](tel:443-840-2222).

COURSE CANCELLATION/WITHDRAWAL POLICY

Please register early. Class size is limited. The college reserves the right to cancel any classes when there is insufficient enrollment. If we must cancel a class, you will be notified by mail and telephone. If the college cancels a class, 100% of the tuition and fees will be refunded by mail or credit card. Please allow three weeks from the date of cancellation to receive the refund. To receive a refund or to drop/add a class, a student must notify the Continuing Education division at least one (1) day prior to the start of the class. Refunds are processed in check form in the student's name. Call [443-840-2222](tel:443-840-2222) for more information. Despite our best efforts, occasionally an error may occur in a course description and/or logistics, tuition, course cost, fee or other entry in the course brochure or online. In the event of an error, the college reserves the right to apply the corrected information.

RULES AND GUIDELINES FOR STUDENT BEHAVIOR

To ensure a safe and enjoyable learning environment, students are required to comply with all rules and guidelines established by CCBC. Failure to abide by the school rules and guidelines can lead to dismissal from the class without refund. Please see rules and guidelines located at ccbcmd.edu/kidsatccbc. By enrolling in the Community College of Baltimore County, students accept and agree to abide by the policies and regulations of CCBC, including those in the Student Code of Conduct.

STUDENT DROP OFF/PICK UP

On the Essex Campus parking is available on Lot 5. Park in the whitelined spaces only. At the Owing Mills Extension Center, enter the building on the 3rd floor (parking garage). Because of the public, open environment of our class sites and our concern for student safety, a parent/guardian must accompany students to their designated classrooms when dropping off and picking up. Children (ages 12 and under) are not to be left unattended at any time, under any circumstances. If a child is left in a classroom without supervision, parents/guardians take full responsibility for their child's behavior/safety. No parents or guardians can attend class sessions.

Special accommodations: CCBC is committed to providing accessible education and supportive learning environments for all students. To help meet this goal, all students with disabilities who require special accommodation must notify the Disability Support Services office at [443-840-3832](tel:443-840-3832) or email dss@ccbcmd.edu at least 30 days prior to class so that accommodations can be arranged. CCBC does not provide for personal medical assistants, care attendants or one-on-one support persons.

Medication: CCBC staff cannot administer medication, prescription or non-prescription (over-the-counter) to students. Please administer all medications prior to or following class time. Please note: CCBC is not a nut-free environment.

Your child will be attending classes on an open college campus and there will not be student supervision provided outside of the classroom. He/she must abide by the rules and regulations of the Community College of Baltimore County, including exhibiting classroom behavior that allows for a student environment free from harassment, discrimination and disruption.

CAMP HERITAGE

Camp Heritage at CCBC Catonsville offers fun for all! More than just another day at camp — your child(ren) will stay engaged through swimming, art, performances, nature exploration, table games, sports and special trips. Older children can apply for leadership opportunities to build their skills, enjoy the camp environment and create unforgettable memories in the process.

CAMPERS

Camp Heritage is for kids who have completed kindergarten through fifth grade by June 2024. Daily group sizes of 24–32 campers are organized based on their respective completed grades. Spots are filled on a first-come, first-served basis.

COUNSELOR-IN-TRAINING (CIT)

Candidates must have completed sixth or seventh grade by June 2024 to apply. The cost for a four-week session is \$600 and includes a t-shirt. Space is limited. Applicants are encouraged to apply as soon as possible. The selection process begins in early February and concludes in March.

EIGHTH AND NINTH-GRADE VOLUNTEER COUNSELOR PROGRAMS

Candidates must have completed eighth- or ninth-grade by June 2024 and have previous CIT experience at Camp Heritage. Up to 24 volunteers will be chosen for each program. The selection process begins in early February and concludes in March.

Camp Heritage is led by Andrea Broadhurst in her tenth season as director. Join us for a summer of fun, growth and lasting memories!
