# agreement

## **Baltimore County Public Schools Community College of Baltimore County**

College Credit for Prior Learning at the High School  
Graduating Class of **2025**

### **Steps to receiving articulated credit**

1. Obtain official transcript from high school with CTE coursework.
2. Submit official transcript to CCBC by email or mail:

Email: [echerry@ccbcmd.edu](mailto:echerry@ccbcmd.edu)

CCBC Essex - Attn: Emilie Cherry

7201 Rossville Blvd. – ADMN 100-D

Baltimore, MD 21237

3. Contact CCBC faculty to schedule portfolio review.

See individual agreement for CCBC faculty contact information.

(Not all CTE completers will need a portfolio review.)

*Students must be enrolled at CCBC before credits are issued.*

## **Articulation Agreement**

The following Articulation Agreement has been developed for students in the Baltimore County Public Schools who plan to continue their education at the Community College of Baltimore County. The Agreement describes articulated programs that build on Baltimore County Public Schools' approved learning experience with the goal of eliminating duplication of instruction. This Agreement commences with the 2024-2025 school year and includes provisions unique to the graduating class of 2025.

It is understood by the parties that no funds will be exchanged in furtherance of this Agreement, and that it may be terminated by either party at the end of the 2024-2025 school year.

## **Anti-Discrimination Statement**

It is the policy of the State of Maryland that all public and publicly funded schools and school programs operate in compliance with: (1) Title VI of the federal Civil Rights Act of 1964; and (2) Title 26, Subtitle 7 of the Education Article of the Maryland Code, which states that public and publicly funded schools and programs may not: (i) discriminate against a current student, a prospective student, or the parent or guardian of a current or prospective student on the basis of race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability; (ii) refuse enrollment of a prospective student, expel a current student, or withhold privileges from a current student, a prospective student, or the parent or guardian of a current or prospective student because of an individual's race, ethnicity, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or disability; or (iii) discipline, invoke a penalty against, or take any other retaliatory action against a student or parent or guardian of a student who files a complaint alleging that the program or school discriminated against the student, regardless of the outcome of the complaint.

## **Equal Opportunity And Affirmative Action Statement**

"The Community College of Baltimore County practices equal opportunity in education and employment and is strongly and actively committed to diversity with the college community."

## **About this Agreement**

The following pages contain comparisons of Baltimore County Public Schools (BCPS) Career and Technical Education program sequences with introductory courses at the Community College of Baltimore County (CCBC). Faculty from BCPS and CCBC meet regularly to compare knowledge and skills taught in the high school programs with those taught at the introductory level in the college programs. High school students who achieve at the appropriate levels in the high school programs listed in this document may request credit for documented achievement when they enroll in the Community College of Baltimore County.

The advanced placement earned through BCPS articulated career and technical programs allows students to move more quickly through the community college. Successful completion of articulated programs will also offer opportunities for students to begin their careers earlier and save hundreds of dollars in college tuition.

This agreement describes the guidelines and procedures for awarding credit, and the responsibilities of the high schools and the College for maintaining this agreement. The specific program sequences that meet the articulation criteria are listed. For additional information visit the following webpages:

[Baltimore County Public Schools, Career and Technical Education webpage](#)

[Community College of Baltimore County, Career Pathways webpage](#)

### **Articulation Partnership Coordinators:**

Emilie Cherry

## **Guidelines for Awarding Articulated High School Credit**

The Community College of Baltimore County (CCBC) agrees to grant college credit to high school students who successfully complete a specific Career and Technical Education (Career Completer) program in the Baltimore County Public Schools (BCPS). The articulated Career and Technical Education (CTE) program sequences and courses are identified in this Agreement. A student will be awarded credit based on the Agreement in effect at the time of graduation.

**BCPS students must successfully complete all required high school credits in a CTE career completer program of study for articulated credit.**

### **Articulated Credit Criteria**

- The student must complete the high school CTE program sequence of study with a **technical Grade Point Average of B or better** and **with a C grade or higher** in each required course, unless otherwise noted.
- The student must register for a credit or workforce training course at CCBC within three years of high school graduation. A student seeking articulated credit after the three-year limit should work with the College Program coordinator to consider other opportunities for credit for prior learning.
- The approved articulated credit will be posted to the CCBC transcript upon receipt of the high school transcript and the student's enrollment in the Community College of Baltimore County. The high school counselor or other designated school official should send the student's final transcript and home address to:

EMAIL: [echerry@ccbcmd.edu](mailto:echerry@ccbcmd.edu)

MAIL: CCBC Essex – Attn: Emilie Cherry

7201 Rossville Blvd. – ADMN 100-D, Baltimore, MD 21237

- A student unable to make satisfactory progress in a higher-level CCBC course in the areas for which articulated credit is awarded may, at the recommendation of the instructor, be required to complete a lower-level course.

### **Implementation Procedures for: Baltimore County Public Schools**

- Communicate the details of the Articulation Agreement to high school principals, teaching staff, professional school counselors, work-study coordinators, parents, and students.
- Implement procedures for a CTE teacher or school counselor to send the student's high school transcript and home address to the CCBC CTE office, above.

### **Implementation Procedures for: Community College of Baltimore County**

- Develop advisement procedures for new students from BCPS enrolled in programs with articulated credits.
- Develop procedures to connect program coordinators and students with articulated credit during their first semester at CCBC.
- Produce tracking reports of enrolled students with articulated credit.
- Early College Access Programs (ECAP): Students concurrently enrolled in high school and CCBC classes are eligible to receive articulated credits upon successful completion of their Career Completer program of study.

### **Additional Clarification**

1. While students are expected and encouraged to continue their education and training in the CTE program of study at CCBC that articulates with their BCPS program, it is not a requirement. Many factors contribute to a change of major for students and that will be honored by CCBC. Therefore, the agreement does not require program-to-program continuation as a condition for the receiving of articulated credits.
2. CCBC will determine how the articulated credits will apply toward certificate and degree requirements, e.g., requirement for graduation, elective.
3. CCBC does not determine how articulated credits are received by 4-year colleges and universities. That decision is made by the 4-year institution. In some cases, articulated credits from high school may not be accepted by 4-year institutions.
4. Students meeting the requirements for articulated credits at CCBC will be awarded those credits whether attending full time or part time.
5. Should a BCPS Career Completer program of study be discontinued, students successfully completing the requirements in that program will still be awarded articulated credit.

### **Articulated Agreement Maintenance, Review, and Reporting**

The following procedures are suggested to provide an objective means for assessing the success of the articulation activities:

- A Coordinating Committee composed of CCBC representatives and one representative from BCPS will meet once every year to review the articulation agreement guidelines and implementation procedures and recommend changes, if necessary.
- CCBC and BCPS program coordinators may suggest new areas for articulation. It will be their responsibility to schedule periodic meetings of faculty members in programs where articulated credit has been awarded to review curricula and to make recommendations for awarding articulated credit.
- CCBC will complete an annual report at the end of the academic year indicating the number of students who received articulated credit and the high schools the students previously attended. A copy of this annual report will be sent to appropriate administrators at BCPS.
- Revisions to applicable course syllabi at any of the participating schools or CCBC will be sent to appropriate department heads and program coordinators.
- Appropriate administrators of BCPS and CCBC will review the Articulation Guidelines annually.

Revised: June 24, 2024

# Career & Technical Education ...Education for a Lifetime!

Career and technical education (CTE) programs of study provide high school students with the following benefits:

- ✓ Academic subject matter taught with relevance to the real world.
- ✓ Workplace, personal, academic, and technical skills.
- ✓ Educational pathways that help them explore interests and careers.
- ✓ Pathways that include four-year college degree programs, community college certificate/associate degree programs, registered apprenticeship, and industry certification.

*CTE programs provide students with BOTH relevant career skills AND rigorous academic skills.*

Did you know...students who complete CTE programs:

- ✓ Will be prepared for both college AND careers?
- ✓ May receive FREE college credit by successfully completing a CTE program?
- ✓ May be eligible for industry credentials and related awards and scholarships?
- ✓ May have a program of study in a career pathway that is of interest at their home high school?

## **CTE Programs of Study\* and Courses – 2024-2025 School Year**

<b>CTE Courses by Cluster/Program</b>	<b>High Schools Offering</b>
<b>Arts, Media &amp; Communication Cluster Completer Programs</b>	
Graphic/Print Communications Technology	Kenwood, Western*
Interactive Media Production	Carver*, Catonsville, Chesapeake*, Eastern*, Dundalk, Franklin, New Town, Parkville, Pikesville
<b>Business, Management, &amp; Finance Cluster Completer Programs</b>	
Business Management	Chesapeake*, Dulaney, Dundalk, Franklin, Hereford, Lansdowne*, Milford Mill, Owings Mills, Patapsco, Sparrow's Point, and Woodlawn
Marketing	Catonsville, Chesapeake*, Dulaney, Hereford, Lansdowne*, Loch Raven, Owings Mills, Perry Hall, Patapsco, Pikesville, Randallstown, and Woodlawn
<b>Construction &amp; Development Cluster Completer Programs</b>	
Carpentry Careers	Carver*, Perry Hall, Owings Mills, Kenwood, Lansdowne*
Electrical Careers	Lansdowne*
Mechanical Construction/Plumbing Careers	Kenwood, Western*
Heating/Ventilation/Air Conditioning/Welding	Dulaney
Architecture, Engineering and Construction Management	Franklin, Milford Mill, Overlea, Patapsco, Sparrows Point
Building & Construction Technology	Eastern*, Milford Mill*, Sollers Point*
<b>Consumer Services, Hospitality &amp; Tourism Cluster Completer Programs</b>

**CCBC Program Title:**

Automotive Technology

Program Location(s): Milford Mill Academy, Sollers Point Technical, and Western School of Technology

<b>BCPS Course #</b>	<b>BCPS Course Title</b>	<b>BCPS Credits Earned</b>	<b>CCBC Course #</b>	<b>CCBC Course Title</b>	<b>CCBC Credits Awarded</b>
<b><i>Required</i></b>	<b><i>BCPS Courses</i></b>	<b><i>Below</i></b>	<b><i>CCBC</i></b>	<b><i>Courses Awarded</i></b>	<b><i>Below</i></b>
62.4410	Automotive Service Tech 1	1	AUTO 100	Introduction to Automotive Technology	5
62.4420	Automotive Service Tech 2	1			
62.4430	Automotive Service Tech 3	1			
62.4440	Automotive Service Tech 4	1			

This agreement is a statewide agreement between the Maryland State Department of Education and the Community College of Baltimore County.

To be considered for articulated credit, students must have a portfolio review and assessment by the CCBC Automotive faculty. Upon verification, articulation will be conditionally offered after the successful completion of the following S/P2 Training at CCBC: Automotive Service Safety and Automotive Service Pollution Prevention. **Contact: Fred Koenig, 443.840.4740** or [fkoenig2@ccbcmd.edu](mailto:fkoenig2@ccbcmd.edu) to arrange a review and an assessment.

***A student must earn a B or better in each of the courses listed and pass the ASE Entry-Level end-of-course assessment in; Maintenance and Light Repair, Suspension and Steering, Electrical/Electronic Systems, and Brakes to earn the articulated credit for each corresponding course.***

**CCBC Portfolio Review and Assessment Guideline**

- *Schedule an appointment with a CCBC Automotive Faculty Member*
- *Present the High School Transcript (Official)*
- *Present the ASE Entry Level Certificates*
- *Establish a S/P2 Training Profile at CCBC*

## **2024-2025 Articulation Agreement**

*between*

**Baltimore County Public Schools and Community College of Baltimore County**

**BCPS Program Title:**

Aviation Technology, Private Pilot Pathway

**CCBC Program Title:**

Aviation Technology

Program Location(s): Hereford, Kenwood and Lansdowne High Schools

<b>BCPS Course #</b>	<b>BCPS Course Title</b>	<b>BCPS Credits Earned</b>	<b>CCBC Course #</b>	<b>CCBC Course Title</b>	<b>CCBC Credits Awarded</b>
<b><i>Required</i></b>	<b><i>BCPS Courses</i></b>	<b><i>Below</i></b>	<b><i>CCBC</i></b>	<b><i>Courses Awarded</i></b>	<b><i>Below</i></b>
56.1600.0	Principles of Aviation and Aerospace	1	AVMT 101	Aviation History and Development	3
56.1610.4	Exploring Aviation and Aerospace (H)	1	AVMT 131	Private Pilot Ground School	3
56.1630.5	Private Pilot Fundamentals (GT)	1			
56.1640.5	Aviation and Autonomous Systems Engineering CWE (GT)	1			

Students who enroll in the Aircraft Dispatcher, Air Traffic Control, Flight Operations Management, or Professional Pilot Unmanned Aircraft Systems program will be eligible for AVMT 131.

If a student plans to take flight courses towards the Private Pilot license, AVMT 131 is required to be taken at CCBC as part of the CCBC Private Pilot flight training program. Students must be 17 years of age, possess a FAA first-class or second-class medical certificate, and a valid driver's license.

Please contact the Aviation Department to determine the right program for you and articulated credit eligibility.

**Aviation Technology Program:**

Aviation Department; 443.840.4157 or [aviation@ccbcmd.edu](mailto:aviation@ccbcmd.edu)

**This agreement is not a course by course alignment. BCPS students must successfully complete all required credits in the CTE career completer program of study with a cumulative technical Grade Point Average of a B or better and with a C grade or higher in each required course to receive articulated credit.**
