

ATB 1.0

The option for students to begin university courses in their first year of nursing at CCBC.

ATB ASSOCIATE TO BACHELOR'S NURSING DEGREE OPTION

A COOPERATIVE VENTURE BETWEEN
Community College of Baltimore County and Notre Dame of Maryland University

General Information for this Face-to-Face or Online Option*

(*Students at NDMU have the option to take either face-to-face or online courses.)

I. General Program Information

This dual enrollment option is available to eligible students once they are accepted to the CCBC Nursing Program. Admission is competitive and based on completed courses and grade point average (GPA). Students will be enrolled as degree students at CCBC and NDMU and begin to take NDMU courses during the Nursing Program at CCBC. Once the Associate of Science (A.S.) Degree is awarded at CCBC, students must take and pass the nursing licensure exam, the NCLEX-RN, and then continue coursework at NDMU to complete the Bachelor of Science in Nursing (BSN) Degree.

The ATB Program requires year-round attendance, including summer and winter sessions. It is designed so that students can complete the Bachelor's Degree in approximately six months after completion of the Associate Degree. Students also have the flexibility to extend the time required to complete the program based on work and personal time constraints.

CCBC courses will be held at the CCBC Essex or Catonsville campuses; Notre Dame of Maryland University (NDMU) courses will be taken at the NDMU campus or online. Two degrees will be awarded: Associate of Science from CCBC and Bachelor of Science in Nursing from NDMU (where a minimum of 30 nursing credits will be required from NDMU to graduate with the BSN).

Advisors will be available from both CCBC and NDMU.

Financial aid will be arranged through the NDMU Office of Financial Aid.

II. Program Admission Requirements

- A. Admission to the CCBC Nursing Program
- B. Selective process based on courses completed, GPA, and TEAS score
- C. GPA of 3.0 or higher in CCBC required admission courses
- D. Additional required courses (completed by the start of the first nursing course) with a C or better:
 - Statistics (CCBC = MATH 153) 3-4 credits

III. ATB Program Progression

Students must be successful in all required courses to continue in the ATB option.

Students are expected to complete the sequence of study as outlined in the CCBC - NDMU ATB curriculum plan.

Students must successfully pass the NCLEX-RN in order to progress to and complete the final NDMU Term 9.

IV. General Application Procedures

Note: Students applying to the NDMU ATB Option must also apply to the CCBC A.S. Degree Nursing Program.

- See CCBC application deadlines and procedures at ccbcmd.edu/Programs-and-Courses/Schools-and-Academic-Departments/School-of-Health-Professions/Nursing/Nursing-Admission-Process.aspx

Admission to the NDMU option is contingent upon admission to CCBC's Nursing Program.

All NDMU applications, fees and transcripts must be received by NDMU by the deadline of January 31 for a fall start OR by August 15 for spring start.

1. Apply to the College of Adult Undergraduate Studies online or download application at discover.ndm.edu/applynow/inquiryform

(Please note there is no application, seat, or deposit fee)

2. Have official, sealed transcripts for all colleges/universities that you have attended sent to:
**Admissions, College of Adult Undergraduate Studies - ATB
 Notre Dame of Maryland University
 4701 North Charles Street
 Baltimore, MD 21210**
3. The CCBC NDMU Collaborative ATB Committee will review applications for admission.
4. Student will be notified by email with admission decision.

V. Tuition and Fees

Important Note: Tuition and fees can change from one academic year to the next. For most up to date tuition/fee information go to: [Tuition & Fees | Notre Dame of Maryland University \(ndm.edu\)](http://Tuition & Fees | Notre Dame of Maryland University (ndm.edu))

VI. Non-Nursing Course Requirements**

Requirements for CCBC Associate Degree RN Program	Additional Requirements for Admission to the NDMU Associate to Bachelor's Option	Additional Non-Nursing NDMU Requirements to Award the Bachelor of Science in Nursing
ENGL 101 College Composition I 3 BIOL 110 Biology 4 BIOL 220 A&P I 4 BIOL 221 A&P II 4 BIOL 230 Microbiology 4 MATH 125 Finite Math* 3 PSYC 101 Intro to Psychology 3 PSYC 103 Hum Growth & Dev 3 CMNS 101 Fund of Communication 3 ELECTIVE Diversity/Humanities/Arts **3 * Recommend taking MATH 153 Statistics (which is needed for ATB and RN-BSN programs) instead of MATH 125	MATH 153 Statistics (CCBC) 3-4 credits	ENGL Any Literature (CCBC) 3 PHIL 101 Intro to Philosophy (CCBC) <u>or</u> PHIL 201(NDMU) 3 History Any HIST (CCBC) 3 RST 105 Religion and the Big Questions (NDMU) 3 300 or 400 level Religion (NDMU) 3 Fine Arts (CCBC) or NDMU 3 Artistic Expression (ART/DRM) (CCBC or NDMU) 3
34 credits	3-4 credits	21 credits
	Courses designated as CCBC can be taken at CCBC and can be taken <u>before</u> nursing coursework; NDMU NUR courses are taken <u>during</u> the ATB program of study. Students should check with their NDMU advisor for acceptable CCBC courses.	

****The NDMU prerequisites apply to those entering the ATB program in Fall 2023 and beyond. All students entering the program in Spring 2020 and prior will complete the prerequisites required at the time of admission.**
