NOTE: Students who have completed world language study in both Middle School and High School should contact the World Language Coordinator about their placement.

Students may have studied a world language at another college. Prior to registering for a world language course at CCBC, students must provide transcripts from high school or college (documenting courses completed and grades received) or demonstrate to the World Language coordinator the appropriate level of proficiency needed to enroll in a level above 101.

Students with two or more years of world language study at the high school level should not register for the 101 level of that language. The 101 level of any world language course is designated for:

- introductory students (who have no prior experience with the language)
- students with fewer than two years of language study
- students who have not studied or used the language in three or more years
- students who received grades of Cs and Ds in world language courses in high school.

Students who want to register for the 102, 201 or 202 level of a language must provide a high school transcript.

Students who are unsure about which level would be most appropriate should contact the World Language Coordinator. The table above serves as a guide only; other factors may influence students' placement at CCBC.

Students registering for online world language courses should understand how an online learning environment functions. Students must have daily access to a computer with a camera and microphone.

Students with expert-level proficiency:

Students with expert-level proficiency in a World Language, including those raised in a home where the language was spoken, should not enroll in 101, 102 or 201 level courses. Students who wish to earn credits in a language in which they are proficient should do one of the following:

- Take one of the assessments below (CLEP,).
- Enroll in the 202 level of the language.
- Inquire about earning credit through the OPI exam.
- Contact the World Language coordinator to be placed above the 101 level.

Advanced Placement (AP):

Students with a score of 3 on Advanced Placement (High School) in any language will receive 6 credits of world language courses (101 and 102).

Students with a score of 4 or 5 on Advanced Placement (High School) in any language will receive 9 credits of world language courses (101, 102 & 201).

College Level Examination Program “CLEP” (CL) Assessments Accepted at CCBC:

Students who have not studied a world language in a U.S. high school may have developed proficiency/fluency in a language due to other life experiences. These students may take the CLEP to receive credit for prior knowledge. Native speakers of a language may also take the CLEP to receive credit for prior knowledge.

The CCBC Testing and Assessment Center provides on-campus proctoring services in a secure setting. Students interested in taking the CLEP should refer to the Center’s website here ([Testing Center \(ccbcmd.edu\)](http://ccbcmd.edu)) for next steps.

CCBC’s CLEP guidelines for world languages are based on ACE (The American Counseling on Education) recommendations:

Spanish

- Six (6) semester hours of credit for a score of 50 on the Spanish Language Level I and II assessment.
- Nine (9) semester hours of credit for a score of 63 on the Spanish Language Level I and II assessment.

Spanish with Writing Levels 1 and 2

- Six (6) semester hours of credit for a score of 50 on the Spanish Language Level I and II assessment.

For more details about how to study for the CLEP exam please visit the [College Board website on world languages](#).

Information about the CLEP Examination can be found [here](#) on the college's website.

Credit-by-Exam:

Please note that starting in fall 2024, CCBC no longer offers credit-by-exam in World Language courses. The OPI has replaced credit-by-exam.

High School Articulation Agreement:

Students who studied a world language at a high school in Maryland may be permitted to place into World Language 102, 201 or 202 at CCBC (please refer to the Placement Chart on page 1 for guidance). Upon completion of World Language 102, 201 or 202 with a C or better, the student will receive academic credit for lower-level World Language courses if desired. To start the articulation process, the student is responsible for submitting their high school transcript to priorlearning@ccbcmd.edu.

Independent Studies:

Please note that as of fall 2017, CCBC no longer offers a World Language Transfer Pattern/Area of Concentration. Therefore, independent studies are not offered for World Languages courses.
