Campus Crime

Statistics

Updated: October 1, 2023

Introduction and purpose

In compliance with the requirements of the Clery Act, the [Department of Public Safety](#) at CCBC collects and compiles crime statistics that are disclosed to the public. Information is collected from sources on and off CCBC campuses and extension centers.

This document represents incidents which occurred on campus grounds, public sidewalks and roadways adjacent to campus property, non-campus locations under CCBC's control as well as public property.

A [crime log](#) is generated daily describing incidents reported to Public Safety at each campus. Information contained in the crime log is available upon request to the Department of Public Safety.
