Return rates are calculated using End-of-Third-Week registration data files.

"Returned" refers to students who registered for at least 1 credit course in the subsequent term.

"Returned" does not indicate the student returned in the same category; a full time student who returned as a part time student is still a "returned student".

Student Status is determined from the Student Type field in Banner.

Return rates are calculated using End-of-Third-Week registration data files.

"Returned" refers to students who registered for at least 1 credit course in the subsequent term.

"Returned" does not indicate the student returned in the same category; a full time student who returned as a part time student is still a "returned student".

Student Status is determined from the Student Type field in Banner.

Return rates are calculated using End-of-Third-Week registration data files.

"Returned" refers to students who registered for at least 1 credit course in the subsequent term.

"Returned" does not indicate the student returned in the same category; a full time student who returned as a part time student is still a "returned student".

Student Status is determined from the Student Type field in Banner.
