2019 - 2020: Parent Refusal to Complete FAFSA

Section 1: Student Section

You self-identified on the FAFSA that you are unable to provide parental information. If your parents are refusing to provide information on the FAFSA and you want to be considered for a Federal Direct Unsubsidized Stafford Loan you and your parent must complete and sign all sections below and submit this form.

By completing this form, the only financial aid you will qualify for without providing parent information on the FAFSA, is a Federal Direct Unsubsidized Stafford Loan. Interest accrues on an unsubsidized loan for the entire period you are attending school unless you pay the interest while you are in school. You will not be eligible for federal, state, and institutional grants or work study programs.

If you are interested in receiving this loan, you and your parent(s) must sign this statement and return this form along with a signed and completed CCBC Federal Direct Loan Change Request. If your parent(s) refuse to complete this form you must provide documentation from a third-party, such as a teacher, counselor, cleric, or court, to support your parent(s) refusal.

Your signature below indicates that you are affirming that your parents have refused to complete the FAFSA, have ceased to provide support including health or auto insurance, support for bills or living expenses and do not provide free room and board for even short periods of time and will no longer provide any support during the academic year. Note: If your parent’s signature appears on your 2019-2020 FAFSA, you will not be eligible for any financial aid if you are further unable to provide parental information.
