

**Common Course Outline**  
**ANET 206**  
**Anesthesia Technology Practicum II**  
**5 Credits**

**Community College of Baltimore County**

**Description**

**ANET 206– Anesthesia Technology Practicum II** provides the student with the opportunity to apply theoretical knowledge in the clinical setting and focuses on equipment used in pediatric, obstetrical and outpatient anesthesia.

**5 Credits:** 15 clinical hours per week

**Prerequisite:** ANET 203

**Overall Course Objectives**

Upon completion of this course students will be able to:

1. create a comprehensive anesthesia care plan in collaboration with the anesthesia care provider;
2. apply theoretical knowledge of the role of anesthesia technologist in the care of patients in the general operating room;
3. apply theoretical knowledge of the role of the anesthesia technologist in the care of patients in the specialty operating rooms of pediatrics and obstetrics;
4. maintain a safe patient environment;
5. communicate effectively with the interprofessional team;
6. demonstrate therapeutic communication techniques when communicating with patients;
7. demonstrate prioritizing skills;
8. demonstrate organization skills;
9. demonstrate proper preparation of anesthesia equipment, maintenance and troubleshooting; and
10. function as an anesthesia technician with minimal supervision.

**Course Requirements**

An overall grade of C (70%) or higher is required for satisfactory completion of the course.

Grading procedures will be determined by the course faculty members but will include the following:

## **Grading/exams**

Graded by using a clinical evaluation tool

Clinical Requirements:

- Attendance at all assigned clinical experiences
- Satisfactory performance in the clinical experiences

Written Assignments: Students are required to utilize appropriate academic resources.

- Minimum of one writing assignment such as: anesthesia individualized care plan or a paper on topic relevant to course.
- Citations are based on the American Psychological Association (APA) format.
