

# **Common Course Outline**

**CMNS 271-274**

**Internship: Communications**

**1-6 Semester Hours**

## **The Community College of Baltimore County**

### **Description**

**CMNS 271-274 – 1-6 Credits; 3–20 laboratory hours per week**

**Internship in Communication** provides practical experience in a work environment for the advanced students (in Journalism, Speech, Mass Communication, Computer Graphics and Visual Communications). The internship includes work experiences in business, industry, educational institutions, social services organizations, or other agencies involved in the appropriate communication activity. Requires supervision by an appropriate advisor during the internship, establishment of learning objectives, and a journal documenting the completion of the learning objectives.

**Prerequisites:** Six credits in the major area and permission of program coordinator.

### **Overall Course Objectives**

Course objectives will be determined by the instructor.

### **Major Topics**

Major topics will be determined by the instructor.

### **Course Requirements**

Course requirements will be determined by the instructor.
