

# **Common Course Outline**

EDTR 271B Field-Based Experience: Elementary Education  
1 semester hour (1 hour per week)

## **The Community College of Baltimore County**

### **Overall Course Description:**

#### **Field-Based Experience: Elementary Education**

Provides students with knowledge and skill outcomes derived from a planned work experience in the elementary education setting. In addition to meeting general course goals, jointly developed objectives are selected and evaluated by the faculty coordinator, work place supervisor and the student. NOTE: Must be taken in conjunction with one of the following: EDTR 101, EDTR 103, EDTR 107 or EDTR 215. Multiple internships of this course are not permitted. Requires permission of Teacher Education Campus Coordinator. Prerequisite: EDTR 101 (or may be taken concurrently).

### **Overall Course Objectives:**

Upon completion of this course the student should be able to:

- Recognize the different content areas teachers are required to be proficient in
- Identify specific stages in child growth and development
- Recognize a variety of instructional strategies that encourage student learning
- Plan a lesson appropriate to the grade level of the student population with which he or she is working
- Distinguish diverse learning style
- Work one-on-one with students who are deficient in basic skills in conjunction with the classroom teacher or supervisor

### **Major Topics:**

Child Growth and Development  
Organization of Schools  
Diversity  
Classroom Management  
Communication Techniques  
Human Relationship Skills

### **Requirements:**

Individual faculty will determine specific evaluation but such evaluation will include attendance at observations, written reports of observations, group or individual meetings and the development of a portfolio.
