

Common Course Outline

EDTR 271C Field-Based Experience: Secondary Education
1 semester hour (1 hour per week)

The Community College of Baltimore County

Overall Course Description:

Field-Based Experience: Secondary Education

Provides students with knowledge and skill outcomes derived from a planned work experience in the secondary education setting. In addition to meeting general course goals, jointly developed objectives are selected and evaluated by the faculty coordinator, work place supervisor and the student. NOTE: Must be taken in conjunction with one of the following: EDTR 101, EDTR 103, EDTR 107 or EDTR 215. Multiple internships of this course are not permitted. Requires permission of Teacher Education Campus Coordinator. Prerequisite: EDTR 101 (or may be taken concurrently).

Overall Course Objectives:

Upon completion of this course the student should be able to:

- Identify issues related to the adolescent and the culture of the high school environment
- Recognize the different content areas teachers are required to be proficient in
- Identify specific stages in child growth and development
- Recognize a variety of instructional strategies that encourage student learning
- Plan a lesson appropriate to the content area of the student population with which he or she is working
- Distinguish diverse learning style
- Work one-on-one with students who are deficient in basic skills in conjunction with the classroom teacher or supervisor

Major Topics:

Adolescent Growth and Development

Organization of Schools

Diversity

Classroom Management

Communication Techniques

Human Relationship Skills

Requirements:

Individual faculty will determine specific evaluation but such evaluation will include attendance at observations, written reports of observations, group or individual meetings and the development of a portfolio.
