

# Common Course Outline

## INTD 272

### Internship: Interior Design

2 Credits

## The Community College of Baltimore County

### Description

**INTD 272 – Internship: Interior Design** applies practical experience in an actual work environment. With the approval of the Program Coordinator, students arrange to work in an interior design industry related setting. Interns are expected to maintain routine contact with their designated interior design advisor during the internship and submit regular journal entries. Work hours allotments are set at 2 credits = 90 hours.

### **2 Credits**

**Prerequisites:** INTD 247 or consent of the program coordinator.

### Overall Course Objectives

Upon completion of this course students will be able to:

1. investigate internship and employment opportunities;
2. procure additional internship or employment positions in the interior design industry;
3. formulate goals to measure the outcomes of work experience;
4. perform the tasks required of an employer;
5. document work experience;
6. examine employer evaluations as constructive criticism; and
7. compare employment experiences in relationship to goals and experience outcomes.
