

**Common Course Outline**  
**MDAS 265**  
**Medical Office Assistant Practicum**  
**4 Credits**

**The Community College of Baltimore County**

**Description**

**MDAS 265 – Medical Office Assisting Practicum** transitions student from the classroom to actual employment. The practicum is a planned, 160-hour experience in a medical facility under the supervision of a preceptor. Students apply general knowledge, front-desk administrative skills, and clinical skills to patients in a real medical facility. This course is the same as OFAD 254.

**4 Credits**

**Pre-requisite:** MDAS 253, and permission from the program coordinator.

**Co-requisites:** MDAS 257 or OFAD 257 and MDAS 261 or OFAD 261

**Overall Course Objectives**

Upon completion of this course students will be able to:

1. apply knowledge of anatomy and physiology and medical terminology in obtaining vital signs on patients;
2. apply Health Insurance and Portability and Accountability Act (HIPAA) rules in regard to patient privacy and release of information in a medical practice;
3. prepare surgical supplies and instruments to assist physicians with minor surgical procedures;
4. sanitize, disinfect, and sterilize medical equipment in a medical practice;
5. assist provider with medical examinations;
6. perform electrocardiography on patients;
7. administer oral, parental, topical, ophthalmic, and ear medication to patients;
8. select appropriate personal protective equipment for potentially infectious situations;
9. perform waived microbiology testing as permitted by the Clinical Laboratory Investment Act (CLIA);
10. develop and maintain patient resource materials;
11. schedule appointments for patients on a practice management system;
12. assign ICD and CPT codes to patient diagnoses and procedures;
13. enter charges, send claims and post payments to patient accounts in a medical practice;
14. perform daily financial accounting transactions in a medical practice; and
15. perform phlebotomy on patients.

## **Major Topics**

- I. Master skills list procedures
- II. Site selection and placement
- III. Resources for skills application on site
- IV. Dress code
- V. Equipment

## **Course Requirements**

Grading procedures will be determined by the individual faculty member but will include a minimum of the following:

## **Grading/exams**

- Skills evaluation (Using Master Skills Checklist) Pass/Fail
