To be considered for articulated credits, students must have a portfolio review by the CCBC Automotive faculty.
Contact: Jack Davis at 443-840-4509 to arrange a review.

A student must earn a B or better in each course listed and pass the NATEF end of course assessment in each of the four areas of brakes, suspension and steering, electrical and electronics, and engine performance to earn the articulated credit for each corresponding course.

BCPS students must successfully complete a minimum of four high school credits with a cumulative technical grade point average of B or better in the CTE career completer program of study to receive articulated credit.
