Magnetic Resonance Imaging (MRI)

Welcome
Thank you for your interest in the CCBC Magnetic Resonance Imaging Program.

Magnetic resonance imaging (MRI) is a technique that uses a magnetic field and radio waves to create detailed images of the organs and tissues within your body. Through a combination of classroom and clinical education, students in the Magnetic Resonance Imaging program learn to:

- Operate a Magnetic Resonance Imaging Scanner
- Position patients for MRI procedures
- Deliver quality patient care

Please carefully review the information contained within this guide to ensure you have completed all steps required for admission consideration.

Sincerely,

Erin Myers, M.A., RT(R), CNMT
Medical Imaging Programs Director

Program Description

- The Magnetic Resonance Imaging program is a Selective Admission Program and enrollment in this program is limited by the availability of clinical facilities.
- This is a 9 month program which is offered once per year beginning in the fall semester.
- Optional clinical modules are offered for students at a variety of clinical facilities. Any student who registers for any of the clinical modules must complete the entire module. Students who choose not to register for clinical prior to the start of the program are ineligible to do so after the program start date.
- The MRI program intends to use a scoring rubric based on required and requested documentation and student experience in lieu of a lottery system. A lottery system may still be used to differentiate students with similar scores.
Application Deadline
January 1st – April 30th for a fall start

Admission Criteria
The following must be uploaded to the SHP CAS application:

• A copy of national certification in Radiography from the ARRT (non-expired).
• A copy of state of Maryland professional license in Radiography (non-expired).
• A copy of a valid CPR card – healthcare provider from American Heart Association only (must keep CPR current throughout program; non-expired BLS Provider - mandatory).
• The enclosed and completed employer reference form, even if you do not have work experience in MRI.
• For MRI applicants, a copy of your ARRT certification in CT, if applicable.
• For 2nd year Radiography program students, the enclosed Registry-eligible Verification form.
• Signed MRI Technical Standards form - mandatory.
• Three electronic evaluations (references) are required to be submitted through the SHP CAS application.
• Essay – submitted as the answer to a question in the SHP CAS application.

A 2.00 CCBC GPA is required for any courses completed at CCBC.

Electronic Evaluations
1. If you graduated from a Radiography program within the last 12 months, one evaluation must be from that program’s Program Director or Clinical Coordinator.
2. One evaluation must be from current or recent direct supervisor/employer.
3. One evaluation should be a professional recommendation from an employer/supervisor or instructor.
4. A 4th may be requested by applicant if they choose.

Steps for Application
1. Apply for admission to CCBC at http://www.ccbcmd.edu/apply
2. Once you have your CCBC Student ID number, log into https://shp.liaisoncas.com/applicant-ux/#/login and apply to the program by the
application deadline. The non-refundable $50 application fee is due at time of submission.

3. It is the sole responsibility of the student to ensure that all documents have been received or uploaded into the SHP CAS by the application deadline.

4. Applicants will receive an email inviting them to complete the **CCBC SHP Supplemental application** once their program SHP CAS application has been verified. Instructions will be in the email.

**TRANSCRIPTS**

1. This program does not require transcript submission for SHP program admission consideration. However, the Office of the Registrar/Enrollment Services reserves the right to require official transcripts.
   a. CCBC Enrollment Services Center, Baltimore, MD
      i. ALL official U.S. College transcripts, CLEP scores, AP scores and/or an International College Transcript evaluations, **not including CCBC**, must be sent to the CCBC Enrollment Services Center. Directions can be found using this URL [https://www.ccbcmd.edu/get-started](https://www.ccbcmd.edu/get-started).

2. All applicants are responsible for checking to see that their official transcripts have been received in the Enrollment Services Center at CCBC.
   a. CCBC Enrollment Services – Log into your SIMON account to determine if your transcripts have been received and to review your transfer of credit.

**Admission Response**

Admissions decisions are emailed to applicants approximately 4 weeks after the application deadline.

**Post Admission**

Once admitted into the program, students receive information from the program coordinator by way of email. Topics such as uniforms, textbooks, medical information (physicals, immunization, and health insurance requirements), criminal background checks, drug screening, and required software and/or other materials are covered in a series of emails and attachments that contain directions to fulfill requirements needed before the start of the program. Please follow all directions very carefully and meet all required deadlines.
The Magnetic Resonance Imaging program conducts a mandatory clinical orientation class before the start of the program. Students are also required to attend the SHP New Student Orientation that is held in August.

**Financial Information**

Magnetic Resonance Imaging students will spend approximately $300.00 for textbooks throughout the program. In addition to textbooks, students also need to purchase student uniforms. Prior to starting clinical education, MRI students must have a medical examination performed by their personal physician along with up-to-date immunizations. This medical cost will vary.

Criminal background checks and drug screening will cost approximately $70.00. A student clinical tracking software is also required, which has a one-time cost of approximately $75.00 – 100.00.

**Who to Contact**

**Academic Advising** – Advising is available at all campuses and extension centers. Please ask to speak with a [Health and Science Pathways Advisor](http://www.ccbcmd.edu/Resources-for-Students/Academic-Advisement/Contact-an-Academic-Advisor.aspx) only. For the Essex campus call 443-840-1973 or visit the Student Services Center room 120. The hours, addresses and phone numbers for all sites can be found by calling 443-840-2222 or online at [http://www.ccbcmd.edu/Resources-for-Students/Academic-Advisement/Contact-an-Academic-Advisor.aspx](http://www.ccbcmd.edu/Resources-for-Students/Academic-Advisement/Contact-an-Academic-Advisor.aspx).

**Program Director** - Mrs. Debbie Lam at 443-840-2015 or dlam@ccbcmd.edu

**School of Health Professions Office of Admissions** at 443-840-1989 or email shpseat@ccbcmd.edu
Employer Reference Form

Complete and upload to your SHP CAS application even if you have no work experience.

Applicant’s Name __________________________________________________

CCBC ID# _______________________

How many months working in CT and/or MRI as a technologist? ________________

(Do not include school or volunteer experience or non-technologist positions.)

Please document all CT/MRI technologist work experience for at least 12 months. Have your current (and past) supervisor(s) fill out the form below:

I certify that the above individual has worked at __________________________ for _____ months as a **CT Technologist only OR MRI Technologist only**

Signature _______________________________________

Title ____________________________________________

Print name _________________________________ Date _________________

Phone # __________________

I certify that the above individual has worked at __________________________ for _____ months as a **CT Technologist only OR MRI Technologist only**

Signature _______________________________________

Title ____________________________________________

Print name _________________________________ Date _________________

Phone # __________________
Registry-Eligible Verification Form

I, ____________________________________________, certify
(Name of program director)

that ____________________________________________ is
(Name of Radiography student)

currently a second year Radiography student enrolled at _____________________________.
(Name of Radiography program)

She/he will be eligible to sit for the American Registry of Radiologic Technologists certification exam and obtain a State of Maryland license in Radiography before the MRI program classes start in Fall 20__.

A. PERFORMANCE OF THE DUTIES OF THE MRI TECHNOLOGIST ENCOMPASSES THE FOLLOWING:

1. Technical Skills:
   - The ability to operate the MRI scanner, coils and equipment to perform diagnostic procedures in a manner consistent with MRI safe practices and maximum image quality.
   - The ability to evaluate and interpret requests for MRI procedures and determine the best method of achieving optimal image results.

2. Physical Requirements:
   a. Sufficient strength and fine motor coordination to:
      - Lift 25 pounds for short distances
      - Pull and push heavy objects
      - Assist in moving patient from stretcher, wheelchair, or bed to and from MRI table
      - Manipulate MRI coils/table and accessory equipment
      - Reach equipment at heights greater than 6 feet
   b. Adequate eyesight to:
      - Observe the patient’s condition
      - Read MRI computer screen/imaging equipment
      - Evaluate MRI images for appropriate image quality
   c. Sufficient hearing to:
      - Respond to patient’s verbal inquiries
      - Communicate with other personnel involved in the care of the patient
      - Initiate timely response to audible alarms and signals
3. Interpersonal Skills:

- Work in a professional manner with patients of all ages, races, creeds, and physical conditions while maintaining and respecting patient confidentiality.

- Work with newborns, children, adolescents, adults and geriatrics in a safe and helping manner.

- Communicate and receive written and verbal instructions and carry them out using proper channels of communication.

- Use accurate verbal and written communications in English to:
  - Interpret clinical data
  - Obtain and document relevant clinical information
  - Comprehend and carry out physician requests
  - Provide patient/public education related to MRI procedures and safety

4. Intellectual Ability and Emotional Stability to:

- Exercise independent judgment and discretion in the technical performance of MRI procedure

- Perform mathematical problems quickly and accurately

- Work efficiently in stressful situations

- Complete program requirements

- Pass the National Registry Examination in MRI

B. WORKING CONDITIONS:

- Works in an air-conditioned environment with minimal exposure to noise and humidity

- Is constantly bending, pushing, lifting, walking, moving heavy objects, talking on the phone and talking with physicians

- Has frequent exposure to blood and body fluids from patients

- Has frequent exposure to a strong magnetic field
MRI ACKNOWLEDGEMENT FORM

I have received a copy of the “Technical Standards” of the CCBC MRI Program. I have read these “Standards,” have had an opportunity to ask questions about them and now, to the best of my ability, understand them.

I believe I am capable of meeting the “Technical Standards” of the CCBC MRI Program.

The college does not discriminate on the basis of age, race, color, national origin, sex or handicap in its education programs or with regard to employment. The college further ensures that the applicant to the Radiography Program will not be discriminated against on the basis of past or current health problems or handicap provided that neither endangers the well-being of a patient or fellow student hinders the applicant’s ability to perform the functions required of a Radiographer. Consequently, applicants will be required to take a physical examination and submit the results.

Inquiries regarding affirmative action may be directed to CCBC, Affirmative Action Office, 7201 Rossville Blvd., Baltimore County, Maryland 21237, Affirmative Action Officer, (443) 840-4631.

Inquiries regarding the Rehabilitation Act of 1973, Section 504, Title IX, may be directed to CCBC Essex, 7201 Rossville Blvd., Baltimore County, Maryland 21237, Director of Disability Support Services, (443) 840-1878.
