2022 - 2023

Radiation Therapy

Welcome

Radiation Therapists have a great responsibility to provide both accurate radiation administration and compassionate patient care, while working as members of the healthcare team. At CCBC we take pride in providing the profession with such qualified individuals. Again, thank you for your interest in the Radiation Therapy Program and please take time to review this packet, prior to applying. Successful completion of CCBC's Radiation Therapy program results in the awarding of an Associate of Applied Science (A. A. S.) degree. CCBC Radiation Therapy graduates are eligible to take the American Registry of Radiologic Technologists (ARRT) national registry examination and apply for the Maryland Board of Physicians licensure in radiation therapy.

Please carefully review the information contained within this guide to ensure you have completed all steps required for admissions consideration. I wish you the best with the submission of your admission application.

Sincerely,

Dr. Adrienne Dougherty, Ed.D., RT(T)
Program Director

Program Description

Radiation Therapy utilizes radiation and radioactive isotopes in the treatment of disease, primarily cancer. The Radiation Therapist provides services for treatment of malignant and nonmalignant disease. The Radiation Therapist is responsible for localizing the tumor, implementing the treatment plan, observing and evaluating clinical progress of the patient. The program contains didactic, laboratory and clinical experiences.

The Radiation Therapy Program is a selective admissions program and is highly competitive.

Accreditation

The Radiation Therapy is currently accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). For more information please visit www.jrcert.org. The program follows curriculum adapted by the American Society of Radiological Technology (ASRT) and adheres to guidelines set forth by the JRCERT.

Steps for Admission

1. Apply for admission to CCBC at <http://www.ccbcmd.edu/apply>
2. Participate in assessment testing, if necessary.
3. Complete prerequisite courses as necessary.
4. Once you have your CCBC Student ID number, log into <https://shp.liaisoncas.com/applicant-ux/#/login> and apply to the **CCBC SHP RADIATION THERAPY** program by the application deadline. The **non-refundable** \$50 application fee is due at time of submission.
5. It is the sole responsibility of the student to ensure that all documents have been received or uploaded into the SHP CAS by the February 1st deadline.
6. Applicants will receive an **email** inviting them to complete the **CCBC SHP Supplemental application** once their program SHP CAS application has been verified. Instructions will be in the email.

TRANSCRIPTS

Official transcripts from ALL US colleges and universities attended by the applicant are required to be submitted to the SHP CAS and to the CCBC Registrar. Official AP and CLEP scores should be sent directly to the CCBC Registrar/Office of Enrollment Services. The unofficial score report of AP or CLEP, may be sent directly to the School of Health Professions Admissions office. Do not send AP or CLEP scores to the SHP CAS.

Please read these instructions carefully. Transcripts should be sent to the SHP CAS Transcript Processing Center and to CCBC, 4 to 6 weeks prior to the application deadline. If the program that you are applying only requires an unofficial transcript sent to the SHP CAS, you must still submit Official Transcripts to CCBC for transfer of credit.

How to Send Transcripts to the SHP CAS

1. Enter your colleges or universities in the **Colleges Attended** section of the application before requesting any transcripts.
2. Click **ORDER** under each school you have listed.

3. You may choose to send the transcript electronically (recommended) or as a paper copy through the US Postal System. You only need to submit one transcript from each school regardless of the number of programs you are applying.
 - To Send an Electronic Transcript
 1. Choose one of the e-transcript services listed. CCBC uses Parchment. Search for the school that you attended. Complete the prompts to make an account. You will be asked where you would like the credential/transcript sent, type SHP CAS into the search bar.
 2. You will then be asked for the Application ID, this number is found in the 'Order Your Official Transcript' screen in the SHP CAS application, in Step 3. Copy and paste the number in the space on the e-transcript service page.
 3. Complete the form request by signing and paying for the transcript. You will receive a receipt that the transcript has been ordered.
 - To Send a Paper Copy Using the US Postal Service
 1. You can use the mail system to send paper copies of your Official Transcript. Click on the word 'Order', chose Option 2: Order a Mailed Paper Transcript. Click 'Download Transcript ID Form' and print the form. Contact the Registrar at each institution you attended and request one official transcript be sent to SHP CAS.
 2. Provide the Registrar with the following items:
 - a. SHP CAS Transcript ID Form. Ask the Registrar to attach it to your official transcripts. This form is not required, but strongly recommended as it helps ensure your official transcripts are properly matched to your application. If you cannot use this form, make sure the registrar prints "SHP CAS" and your full SHP CAS ID number on the transcript before mailing it.
 - b. Give the Registrar this mailing address:
SHP CAS Transcript Processing Center
PO Box 9134
Watertown, MA 02471

How to Send Transcripts to the CCBC Registrar

Use this link to send your transcripts from all colleges attended, except CCBC, to CCBC Enrollment Services: <https://www.cbcmd.edu/Get-Started/Take-classes/Take-a-credit-class/Transfer-to-CCBC-from-another-college.aspx>. Evaluation of your application will be delayed if you do not submit transcripts to the CCBC Registrar's Office.

How to Send CLEP, AP and/or International College Transcript Evaluations

Send Official scores and evaluation directly to the CCBC Registrar office using this link, <https://www.ccbcmd.edu/Get-Started/Take-classes/Take-a-credit-class/Transfer-to-CCBC-from-another-college.aspx>. Unofficial copies can be sent to the SHP Admission Office at, shpseat@ccbcmd.edu.

How to Verify that Transcripts are Received

Applicants are responsible for checking to see that the official transcripts have been received at the required locations (SHP CAS AND CCBC)

1. SHP CAS - log into your CAS applications and select the Check Status tab in the upper right corner. All expected transcripts will be listed and it will be noted if the transcript has been received or not. Contact the SHP CAS directly by clicking on the blue question mark at the top of the application if you have questions about your transcript.
2. CCBC Enrollment Services – Log into your CCBC SIMON account to determine if your transcripts have been received and to review any transfer of credits. You can contact transfereval@ccbcmd.edu if you have a question about courses that may or may not have been transferred into CCBC.

Interview

Qualified candidates who meet the minimum qualifications will be contacted to complete the Logic/Critical Thinking Exam and writing sample. You must bring a photo ID with you to the exam. The observation day will be completed during the RTTT 101 Orientation to Radiation Therapy course.

The critical thinking exam and writing sample are derived from general knowledge. There is no recommended preparation for these items.

Ranking

The admissions policy is based on a point system with the following weighted areas:

• GPA/Pre-Requisite Courses	30%
• Interview and Observation Day	40%
• Writing Sample and Critical Thinking Exam	30%

Admission Response

Admissions decisions are emailed to applicants approximately 6 to 8 weeks after the application deadline.

Post Admission

Applicants should be aware that the following items will be required to progress in the clinical/practicum components of the program. Further information will be provided by the program director.

- Provide proof of current CPR certification at the Healthcare Provider Level. If you need information about CPR courses at (<https://cpr.heart.org/en/cpr-courses-andkits/healthcare-professional>).
- Proof of a recent physical examination with current immunizations, including COVID 19,
- Proof of current health insurance,
- Criminal background investigation, and
- Drug screening.

Non-Discrimination Policy

CCBC is committed to the policy that all persons shall have equal access to programs, facilities, admission and employment without regard to personal characteristics not related to ability, performance, or qualifications as determined by College policy or by state or federal authorities. Applicants to the Radiation Therapy Program will not be discriminated against with regard to recruitment, admission, or any other program practices or policies on the basis of race, sex, color, national or ethnic origin, age, religion or the expression thereof, sexual orientation, disability, or other legally protected status.
