Community College of Baltimore County  
Essex Campus

## Admission Packet

2021 – 2022

# Radiography

## Welcome

Thank you for your interest in the CCBC Radiography program. Our program has over a forty-five year history of educating future radiography (x-ray) personnel who are employed in Imaging Centers, Physicians' Offices, and Hospitals.

Radiography uses x-ray radiation to create images of the tissues, organs, bones, and vessels that make up the human body. Most people are familiar with chest x-rays and also know that x-rays are the best way to diagnose broken bones. The radiographer (x-ray technologist) produces x-ray images of human anatomy for the physician to read and make a diagnosis.

Through a combination of classroom and clinical education, students in the CCBC program learn to:

- Operate x-ray equipment
- Position patients for x-ray procedures
- Deliver patient care
- Produce x-ray images of human anatomy
- Practice radiation safety.

The Radiography program is a **Selective Admissions Program** and enrollment in this program is competitive and limited by the availability of clinical facilities. Please carefully review the information contained within this guide to ensure you have completed all steps required for admissions consideration.

I wish you the best with submission of your admissions application.

Sincerely,

Erin Phelan, M.A., RT(R), CNMT  
Medical Imaging Programs Director

## Program Description

- Associate of Applied Science Degree program.
- Requires completion of both general education courses (English, Math, etc.) & radiography (RADT) courses.
- 2 year (21 consecutive months) full-time program of radiography classes.

Revised 1/27/2022

- Only one cohort is accepted each year.
- A limited number of students are accepted for each class, based on availability of clinical placement and community need.
- Radiography courses start at the beginning of the fall semester.
- Due to the largenumber of applicants, acceptance is competitive.
- Program graduates are eligible to apply to take the ARRT Registry Examination, which is a national certification exam.

## Accreditation

The program is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT).

## Application Deadline

April 15 for Fall 2022 start

## Required Entry Exam

Complete the TEAS by ATI exam by April **1st deadline (effective for the fall 2022 start)** with the below required minimum scores. Students who have not completed the TEAS exam will not be considered for admission. TEAS scores are valid for two years.

- Overall – PROFICIENT or higher (58.7%) Additional subject area scoring to be determined.

Additional information for the TEAS can be found at: <https://www.ccbcmd.edu/Programs-and-Courses/Schools-and-Academic-Departments/School-of-Health-Professions/School-of-Health-Professions-Admissions-Office/TEAS-Testing.aspx>

## Required Pre-requisite Coursework

Pre-requisites must be completed with a C or better and must be completed by the end of the Spring semester in which the admission deadline falls. Courses scheduled to be taken in the summer before the program fall start, will not be considered for admission. For best consideration, A's and B's in all courses should be obtained.

- ALHL 115
- BIOL 109 (or both BIOL 220 & 221)

- MATH 135
- RADT 101 (must be taken within the two years prior to submitting an application. If the course was taken more than two years prior to the spring semester that the student is applying, the course must be taken over.)
- PHYS 101

## Additional Coursework

Additional courses considered for admission. All courses must be completed with a 'C' or better:

- ENGL 101
- PSYC 101
- CMNS 101
- CSIT 120
- PSYC 103

## Admission Criteria

- A CCBC GPA of 2.00 for any courses completed at CCBC
- Overall GPA in Pre-requisite courses, of 2.5 or better
- Proficient or higher on ATI TEAS Exam
- Successful observation day

## Steps for Admission

1. Apply for admission to CCBC at <http://www.ccbcmd.edu/apply>
2. Participate in assessment testing, if necessary.
3. Complete prerequisite courses as necessary.
4. Complete ATI TEAS testing by deadline.
5. Once you have your CCBC Student ID number, log into <https://shp.liaisoncas.com/applicant-ux/#!/login> and apply to the **CCBC SHP Radiography** program by the application deadline. The **non-refundable** \$50 application fee is due at time of submission.
6. It is the sole responsibility of the student to ensure that all documents have been received or uploaded into the SHP CAS by the April 15<sup>th</sup> deadline.
7. Applicants will receive an **email** inviting them to complete the **CCBC SHP Supplemental application** once their program SHP CAS application has been verified. Instructions will be in the email.

Revised 1/27/2022

# TRANSCRIPTS

Official transcripts from ALL US colleges and universities attended by the applicant are required to be submitted to the SHP CAS and to the CCBC Registrar. Official AP and CLEP scores should be sent directly to the CCBC Registrar/Office of Enrollment Services. The unofficial score report of AP or CLEP, may be sent directly to the School of Health Professions Admissions office. Do not send AP or CLEP scores to the SHP CAS.

Please read these instructions carefully. Transcripts should be sent to the SHP CAS Transcript Processing Center and to CCBC, 4 to 6 weeks prior to the application deadline. If the program that you are applying only requires an unofficial transcript sent to the SHP CAS, you must still submit Official Transcripts to CCBC for transfer of credit.

## How to Send Transcripts to the SHP CAS

1. Enter your colleges or universities in the **Colleges Attended** section of the application before requesting any transcripts.
2. Click **ORDER** under each school you have listed.
3. You may choose to send the transcript electronically (recommended) or as a paper copy through the US Postal System. You only need to submit one transcript from each school regardless of the number of programs you are applying.
  - To Send an Electronic Transcript
    1. Choose one of the e-transcript services listed. CCBC uses Parchment. Search for the school that you attended. Complete the prompts to make an account. You will be asked where you would like the credential/transcript sent, type SHP CAS into the search bar.
    2. You will then be asked for the Application ID, this number is found in the 'Order Your Official Transcript' screen in the SHP CAS application, in Step 3. Copy and paste the number in the space on the e-transcript service page.
    3. Complete the form request by signing and paying for the transcript. You will receive a receipt that the transcript has been ordered.
  - To Send a Paper Copy Using the US Postal Service
    1. You can use the mail system to send paper copies of your Official Transcript. Click on the word 'Order', chose Option 2: Order a Mailed Paper Transcript. Click 'Download Transcript ID Form' and print the form. Contact the Registrar at each institution you attended and request one official transcript be sent to SHP CAS.
    2. Provide the Registrar with the following items:
      - a. SHP CAS Transcript ID Form. Ask the Registrar to attach it to your official transcripts. This form is not required, but strongly

Revised 1/27/2022

recommended as it helps ensure your official transcripts are

properly matched to your application. If you cannot use this form, make sure the registrar prints "SHP CAS" and your full SHP CAS ID number on the transcript before mailing it.

- b. Give the Registrar this mailing address:  
SHP CAS Transcript Processing Center  
PO Box 9134  
Watertown, MA 02471

#### How to Send Transcripts to the CCBC Registrar

Use this link to send your transcripts from all colleges attended, except CCBC, to CCBC Enrollment Services: <https://www.ccbcmd.edu/Get-Started/Take-classes/Take-a-credit-class/Transfer-to-CCBC-from-another-college.aspx>. Evaluation of your application will be delayed if you do not submit transcripts to the CCBC Registrar's Office.

#### How to Send CLEP, AP and/or International College Transcript Evaluations

Send Official scores and evaluation directly to the CCBC Registrar office using this link, <https://www.ccbcmd.edu/Get-Started/Take-classes/Take-a-credit-class/Transfer-to-CCBC-from-another-college.aspx>. Unofficial copies can be sent to the SHP Admission Office at, [shpseat@ccbcmd.edu](mailto:shpseat@ccbcmd.edu).

#### How to Verify that Transcripts are Received

Applicants are responsible for checking to see that the official transcripts have been received at the required locations (SHP CAS AND CCBC)

1. SHP CAS - log into your CAS applications and select the Check Status tab in the upper right corner. All expected transcripts will be listed and it will be noted if the transcript has been received or not. Contact the SHP CAS directly by clicking on the blue question mark at the top of the application if you have questions about your transcript.
2. CCBC Enrollment Services – Log into your CCBC SIMON account to determine if your transcripts have been received and to review any transfer of credits. You can contact [transfereval@ccbcmd.edu](mailto:transfereval@ccbcmd.edu) if you have a question about courses that may or may not have been transferred into CCBC.

## Admission Response

Decision letters are typically emailed between 6-8 weeks after the application deadline.

Revised 1/27/2022

## Post Admission

Once admitted into the program, students receive information from the program director within their CCBC student email accounts by July 1. Topics such as uniforms, CPR, medical information (physicals, immunization, and health insurance requirements), criminal background checks, drug screening, and required software and/or other materials are covered in a series of emails and attachments that contain directions to fulfill requirements needed before the start of the program. Please follow all directions very carefully and meet all required deadlines.

The Radiography program conducts a mandatory orientation session in the summer before the start of the program. Topics such as clinical preparations and technology used in the program are covered. In addition, Radiography students are required to attend the School of Health Professions New Student Orientation program in late August.

## Financial Information

Radiography students will spend approximately \$600.00 for radiography textbooks throughout the program. In addition to textbooks, students also need to purchase student uniforms which will cost about \$300.00. Prior to starting clinical education, radiography students must have a medical examination performed by their personal physician along with up-to-date immunizations, including COVID-19. This medical cost will vary.

Criminal background checks and drug screening will cost approximately \$70.00. A student clinical tracking software is also required and has a yearly cost of \$125.00, which is included in course fees.

Radiography students join the state professional association in their first year and participate in the annual Senior project, which totals approximately \$50.00. Also, second year students may choose to attend a regional Registry review, which costs approx. \$155.00. Fundraising money may be available to cover the cost of the review seminar and annual project. Near the completion of the program, students apply to and pay for the ARRT Certification Exam in Radiography, which costs \$200, and the State of Maryland licensure fee of \$175.00.

## Who to Contact

**Academic Advising** – Advising is available at all campuses and extension centers. Please ask to speak with a **Health and Science Pathways Advisor** only. For the Essex campus call 443-8401973 or visit the Student Services Center room 120A. The hours, addresses and phone numbers for all sites can be found by calling 443-840-2222 or online at [Contact an Academic Advisor](#).

**School of Health Professions Office of Admissions** at 443-840-1989 or email
