Maximum Credits in Transfer		64				

64 credit transfer maximum. 18 Core Curriculum units must be completed at Towson University (see page 2).

*If a student completes more GenEd coursework at CCBC than is required for the AAS degree, these credits may be used to satisfy the appropriate Towson Core requirements. The credits of EMST courses, except for 3 credits of practicum coursework, may be reduced to maintain the 64 credit maximum if necessary.

Note: Credit students who are new to college (have not successfully completed college coursework at other institutions) are required to take ACDV 101 in the first semester at CCBC. This is a 1-credit class, and it does not count towards the number of credits required for a degree or certificate. Students are required to provide an official transcript(s) to document successful completion of college coursework at another institution(s).
