CCBC Essex

Hometown

Essex, Maryland

Time at CCBC (When did you start at CCBC?)

Fall 2018

Clubs, Activities, etc. (CCBC Involvement)

- FYE Mentor
- Honors program
- Phi Theta Kappa
- Cyber club

Interests/Hobbies

- Programming video games
- Playing video games
- Art
- Movies
- Anime (Huge Naruto fan!)

Interesting Facts

- I have 3 younger siblings
- I learned C++ coding myself
- I took Interactive Media Production at Eastern Technical High School

What has helped you succeed so far at CCBC?

- My passion to successfully become a game programmer for a leading game company

Why did you decide to become an FYE Mentor?

- I want to be a game programmer and I consider myself an advanced programmer, but if I'm gonna stand out from the rest of the programmers I have to improve my social skills. I need to improve my communication and teamwork because those skills are essential to succeed in the gaming industry!
